Tips for searches

• Use more than one search term, more than one database.

• Look out for Help options Tips Links (e.g. other works by the same author, other authors on this subject)

• Do an Advanced search.
General information

• Use Harvard style – NWU Referencing guide

• Keep record of the bibliographic details of all sources consulted.

• Use bibliographies to identify other sources.

• Start on time – don’t postpone!
General information

• NO Plagiarism!

• Copyright Act – 10% or one chapter of a book may be copied or scanned

• Wikipedia – not an information source for academic research – unacceptable!
