My Library account

Help
Passwords for databases and eJournals
Information about the use of passwords for databases and eJournals on and off campus.
Welcome to the Library Guide for Theology. Here you will find a OneStop service to assist you in your studies or research at the Faculty of Theology, Potchefstroom Campus of the North-West University.
Search for books. Type in the title or author (or keywords), and change the dropdown menu accordingly.

Refer to “How to search a book on the catalogue”.
Refer to “How to find e-books”.

- Search e-books
- Go to the LibGuide for e-books
  - ebrary
    - Database with e-books

Theology e-books
- The Cambridge Dictionary of Christian Theology

Puritan hard drive - e-books
- The Puritan hard drive is installed on three computers in the Theology Library.
- There are 2120 e-books available on this hard drive.
For assistance with downloading e-books.
The e-books from ebrary are not included in the library’s catalogue. Do a separate search for these e-books.
Welcome to the Library guide for Theology. Here you will find a OneStop service to assist you in your studies or research at the Faculty of Theology, Potchefstroom Campus of the North-West University.

Find a specific article

1. Search in the AtoZ list of electronic journals to determine whether it is available electronically.
2. Search in the catalogue to determine whether it is available in printed format.
3. Do an interlibrary loan (search on SACat). (Available for staff and postgraduates.)

Find information on a specific subject - EbscoHost

- EbscoHost
  Search information on international databases. Select the following databases for EbscoHost:
  - Academic Search Premier
  - Africa-Wide Information

Journal lists

- AtoZ journal and ebooks list
  List of journal titles

Google Scholar Search

Use the advanced search option to search for more specific results in GoogleScholar. When you access GoogleScholar from the Library’s webpage, you'll get more results in full text than going to the webpage directly. Search for results available in full text on the Library's databases.
Search with the journal title.

Refer to “How to find a specific journal article”.
Search with the journal title.
Only for staff and postgraduates.

Interlibrary loan

For languages, also select MLA International Bibliography (use for information on languages).

If relevant to your subject, also select PsycARTICLES and PsycINFO.

Also select Philosopher's Index if your subject relates to Philosophy.
You MUST go through the LibGuide to GoogleScholar – it gives you more articles in full text.

On Google Scholar you can find scientific articles. Refer to "How to search on Google Scholar".
Articles from international journals. Refer to “How to search on EbscoHost”.

- EbscoHost
- Articles from international journals.
- Refer to “How to search on EbscoHost”.
Articles from South African journals.
Refer to “How to search on SAePublications”.

- SAePublications - old website

The most comprehensive searchable collection of full text electronic South African journals in the world, focuses on making journals published in South Africa, available online.

- ISAP

For languages, also select MLA International Bibliography (use for information on languages).
If relevant to your subject, also select PsycARTICLES and PsycINFO.
Also select Philosopher’s Index if your subject relates to Philosophy.
International theses and dissertations in full text. Refer to “How to search on ProQuest”.

ProQuest Dissertations & Theses Full Text
ProQuest Dissertations & Theses (PQDT) database is the most comprehensive collection of dissertations and theses in the world. UMI offers over 2 million theses and dissertations available for purchase in microfilm or paper formats.

National ETD Portal: South African theses and dissertations
National ETD portal with South African theses and dissertations available electronically.

Open source theses and dissertations
NDLTD: Networked digital library of theses and dissertations
Based at Virginia Tech, one of the first universities to require students to develop and submit electronic theses and dissertations (ETDs), the NDLTD works
Refer to “Where can I find eReference works”.

- Oxford English Dictionary Online

- Oxford Reference Online

- Pharos Dictionaries
Refer to “How to search on Oxford Reference Online”.

Scientific definitions

- Oxford Reference Online
  Oxford Reference Online brings together language and subject reference works from one of the world’s biggest and most trusted reference publishers into one cross-searchable resource.
Also refer to “Where can I find free sources”.

International critical commentary

The copyright has expired for the old ICC commentaries.

You can browse and download these commentaries HERE.
