Type in your search terms. If a word is truncated by an asterisk* it means that you request the database to search for all words starting this way.
For example:
teen* searches for teen, teens, teenager, teenagers.
adolesc* searches for adolescent, adolescents, adolescence

At the dropdown menu, select TITLE
Location:
Select the library of your choice if necessary, e.g. click on Potch – Theological Library
Limit the publication dates of the results to your preferred range.
Click on “Submit”.
Remember: For a title search the words are also searched for in the table of contents.
